

*This is where you can contribute to the practical work
in creating a promising future for your drylands region.*

The Drylands Permaculture Farm

Become a Friend

Friendship helps us all realise our potential to make a positive change in the world. Friends enjoy common interests and the rewards of wisdom that come from shared life experiences.

By becoming a Friend of The Drylands Permaculture Farm

You will help us showcase and share the benefits of our work in permaculture and sustainability. We will keep you informed of what we have been doing, ask you to our open days and to join in the activities that make the farm, a unique and inspiring centre of practical learning.

Our activities are about looking after the long term prosperity of our dryland environment and our community. They are practical, meaningful, diverse and fascinating. As a friend you have the opportunity to get hands-on experience in the many aspects of our farm activities including:

- ◇ Collecting and Saving seeds of local native and food producing plants.
- ◇ Growing native plants and organic vegetables.
- ◇ Continuing the restoration of remnant vegetation on the Farm.
- ◇ Researching and trialling natural building techniques.
- ◇ Bee Keeping and compost making.

To become a friend, you just need to provide us with your contact details, there is no cost.

Become a Supporter

Supporters energise the game and proudly wave the flag. Supporters back their team through the challenges of the changing seasons and take pride in being part of an aspirational goal.

By becoming a Supporter of The Drylands Permaculture Farm...

For \$25 per year, you will be financially contributing to the Drylands Foundation who operate the enterprise activities at the farm which advance and promote sustainable livelihood for the people in the Midwest region of Western Australia.

To thank you for your support, you will receive a supporter's card which will entitle you to:

- ◇ 10% discount on our very own plants, heirloom seeds, farm tours and workshops.
- ◇ Priority bookings for our workshops.
- ◇ First offer on joining in activities and volunteer positions.

To become a Supporter, provide us with your contact details and we'll organise with you how you can make your Supporter contribution. You can send us an email on info@drylands.org.au, call us on (08) 9938 1628 or you can visit us at the Farm to pay in person.

We look forward to meeting you.

Kind regards

from the team at The Drylands Permaculture Farm
